2019  
LONDON | ORLANDO

## Bigger and Better in 2019

The pioneers of the world's most successful digital workforce bring you Blue Prism World; a global event you won't want to miss! Join us for two days of unrivaled access to every aspect of intelligent automation.

- An extraordinary two-day event in impressive surroundings.
- Blue Prism World will bring 3,000 customers, partners and experts together under one roof.
- Practical sessions will focus on intelligent automation from the attendees' point of view.
- Visionaries, thought leaders and subject matter experts will give you insight into implementation and benefits.
- Hands on demos and training will show you how to transform your organization through proven intelligent and sustainable Robotic Process Automation (RPA) solutions.
